It is organized for easy reading and comfortable discussion

By JDW

Its analogies are clear. Its conclusions are predictable. It is organized for easy reading and comfortable discussion. It reminds me of the Three star Church that I read almost 7 years ago.

Repetition is sometimes the key to forward movement.

Five Stars for Five Star Church!

By Thomas Harrison

I read this book a few years ago and it has changed my life. I use this as the cornerstone of my non-profit work. I have used the concepts and outlines to help other churches. Dr. Toler wishes to bring all churches to their full potential. Buy this for your pastor, your church board, for business people you care about. Five Star Church is a movement for quality and excellence!
