Five Stars

By shiney

Excellent prouct

1 of 1 people found the following review helpful.

I liked it

By David Durtschi

Easy to read and comprehend, but I found the cartoons distracting and not helpful at all. Good beginner book for pacemakers.

0 of 0 people found the following review helpful.

Great teaching tool

By Hanne Thurmer

drawings combined with good text makes this a good reference and teaching tool. When trying to explain pacemaker function to younger doctors, and even to patients, this book works well.
