damn

By Qiana D

Chantelle knew about the criss cross but apparently forgot about the criss cross double cross. Is money really that important? This girl was determined not to stop until she had it all. But always remember there's always a price to pay!!!

'Cashin' Out or Cashin' In...who's left with the cash?'

By Tazzyt2bossye

Chanelle is wifey to Kingpin Jaquez, but tires of the bs that comes with the title. Beaten, scorned, and abused, Chanelle executes a plan of betrayal picturing herself in the winning seat. This foolproof plan sets off a journey of desolation, fear and a life of lies while on the run from a past filled with danger. When the mastermind is duped, Chanelle finds herself in a forest surrounded by wolves as her deceit forces her deeper and deeper into a place of darkness. Chanelle's selfishness and greed have death looming over her life, can she outwit the dark forces that pull on her and become rich and victorious...who will ride off into the sunset cashin' out is the ultimate question?

Ca\$hin' Out is an engaging tale of lies, deceit, betrayal, manipulation, jealousy and murder. Jai Nicole's spins a common tale but her narrative voice proves to be impressive as she winds her story with a flow of suspense and intrigue. There is never a dull moment, the air of mystique keeps you on the edge and interested as each

scene unfolds. I applaud Jai for a super editing job, this debut was well written and the time and devotion was evident. I also loved the fact that this was indeed a full and complete novel!!!! Kudo's! 4.38

Every Damn Body is Cashin' Out Dang Five stars

By Prince Of The Pen

Cashin Out' is an urban/street fiction novel that has a sea of sheisty characters. The title fits the book perfectly everyone is Cashin' out and not one character is loyal in this book. Cashin' Out is a novel with suspense, murder, mystery, disloyalty, and greed. It's a drama filled plot from being to the end. The book is about Chanelle a money hungry woman from the slums of Raleigh North Carolina. She messes with Jaquez a drug dealer with deep pockets. She's willing and ready to do anything for the all might dollar. Wither its setting dudes up or, acting like a wifey/girlfriend. Her love for money knows no boundaries. This book had me on the edge of my rocker all throughout. Especially, the ending it had my mind going crazy. The least person you would expect to be Cashin out for money. Cashes out and puts down some murder game. If you want a book that will have you engrossed from start to finish Cashin' Out is the book for you. It's a five star read and an amazing debut novel from Jai Nicole. Keep up the good work! I hated Chanelle she was so sloppy and greed she racked my nerves.
