Christmas magic!

By Peter Martin

Huge fan of the Chronicles of Kerrigan! I couldn't wait for this Novella and I wasn't disappointed! May does a great job introducing us to Rae Kerrigan's father as a teenager. Simon Kerrigan.

I always pictured him mean and stuck-up, too smart for everyone else, but was pleasantly surprised. He's a nice kid. Now I want to find out what the heck happened along the way to change his mind-set.

I hope May continues this series with more great books!!

Loved it but oh toooo short!

By Soft Paws

Oh I loved this! Just too short! Way too short! Beth is just so perfect.

I hope Rae one day discovers her parents' full story - well I guess she will since she has her mother back now. Must hear the rest, please release it soon!

Wonderful book. It was great to see a different side of Simon. Its a fairly short story. I also hope that she continues the series. Would love if she did up to the fire.
