If you still need more publications **Cinderella's Stepsister And The Big Bad Wolf By Lorraine Carey** as references, going to browse the title and style in this site is offered. You will certainly discover even more whole lots books Cinderella's Stepsister And The Big Bad Wolf By Lorraine Carey in different self-controls. You can also as soon as feasible to check out guide that is currently downloaded. Open it and save Cinderella's Stepsister And The Big Bad Wolf By Lorraine Carey in your disk or device. It will certainly alleviate you wherever you need guide soft data to review. This Cinderella's Stepsister And The Big Bad Wolf By Lorraine Carey soft file to review can be recommendation for everyone to enhance the skill and also capability.

From School Library Journal

K-Gr 2—In Carey's fractured fairy tale, Cinderella is mean and lazy. She goes to the grand ball as a mouse (punishment by her fairy godmother for bad manners), and it's her kindhearted stepsister, Gertie Ugly, who marries Prince Charming after they meet at the dance. Although the story omits many aspects of Disney's Cinderella, Blanco sneaks in a few familiar scenes in his digital illustrations. Children will also enjoy seeing how Blanco changes the appearances of the Big Bad Wolf, the Wicked Queen, and the evil witches: characters who try to teach Gertie how to act more like an "Ugly." It's easy to make this book interactive by asking questions about the character crossovers or by introducing children to additional versions of the stories, which in this case include the fairy tales "Hansel and Gretel," "Snow White," and "Little Red Riding Hood." VERDICT A decidedly different take on the familiar tale.—Tanya Boudreau, Cold Lake Public Library, AB, Canada

Review

This amusing fairy tale mashup reveals that one of Cinderella's stepsisters, Gertie, was actually the kind, helpful one...Blanco's digital illustrations set the story in what appears to be 1930s England while infusing Gertie's quest with a gentle humor to match Carey's narration.

—Publishers Weekly

About the Author

Lorraine Carey spent her early years digging for fairies in her backyard and hoping upon hope that she'd wake up on Christmas morning to find a horse behind the couch. Lorraine Carey now lives in London with her son, Kassius; their cat, Merlin; and an amazingly invincible fish named Bob.

Migy Blanco was born in Salford, England, studied in London, and then spent ten years working in advertising and editorial illustration. After marrying, he moved to Buenos Aires, where he developed a children's-book style that is bold, magical, and eye-catching. Migy Blanco recently moved back to the U.K. and, for the first time in his life, is living outside of a mega-city, enjoying nature and exploring new sources of inspiration.

CINDERELLA'S STEPSISTER AND THE BIG BAD WOLF BY LORRAINE CAREY PDF

So, you think you know the story of Cinderella? Well, you'd better think again because in this hilarious tale, nothing is what it seems. Did you know that Cinderella wasn't actually very nice? And that there were three Ugly stepsisters? And that the youngest sister, Gertie, was absolutely the nicest person you could ever hope to meet? But she'll have to act mean and bad like the rest of her family if she wants to go to the ball. With the help of some favorite fairy-tale characters, can she learn how to fit in with her family in time?

Very similar to the original story of Cinderella

By BrittyMama

I am a huge fan of the retelling of classic fairy tales from another character's perspective so I was very excited to read this book. It looked to be a fun mashup of Cinderella and Little Red Riding Hood. Maybe Little Red was actually one of the step-sisters? Maybe the Fairy Godmother was actually bad and the step-sister was looking out for Cinderella the whole time? Unfortunately, I was a bit disappointed.

We are introduced to the third Ugly stepsister, Gertie, and find out that she isn't very ugly after all. In fact, she is portrayed very much like the Cinderella we all know (except Cinderella is mean here). Gertie is super sweet and pretty, does all the housework, is shunned by her family, and isn't allowed to go to the ball until at the last minute she is helped by the Fairy Godmother. Sound familiar? There were a couple of nice cameos from some other fairy tale favorites (Hansel and Gretel and Snow White) but for the most part, it was too similar to the original Cinderella story.

A Different Take on a Classic Story

By tvtv3

Most of us are familiar with some version of the story of Cinderella. However, the classic tale gets turned around and mixed up with some other fairy tales in **CINDERELLA'S STEPSISTER AND THE BIG BAD WOLF**. In this story, Cinderella is not very nice and she has not two, but three stepsisters. The other two everyone has heard of before, but the third stepsister is a girl named Gertie. Gertie is not like the rest of her Ugly family (their last name really is Ugly). She's sweet, nice, and kind. She wants desperately to go to the Prince's ball, but her mother won't let her unless she learns to be as wicked and mean as the rest of the family. So, Gertie is sent from one fairy tale villain to the next in an attempt to learn how to be mean. However, Gertie just can't seem to be mean and she seems to have no way to get to the ball. Help comes in an unexpected companion. **CINDERELLA'S STEPSISTER AND THE BIG BAD WOLF** has several cameos from other fairy tale characters. The story isn't as in-depth as other mashups and some readers might not like that. However, it's cute and has a certain charm and most children will probably enjoy reading it (or having it read to them).

Great mashup of fairytales!

By Annie

My kids love this book! We checked it out from the library and the kids wanted to read it every night. After we checked it out a second time my kids kept asking about it so I just decided to add it to our library. It's our new favorite.
