The book itself is fantastic. I highly recommend this as an addition to ...

By Karelia

Definitely 5 stars for customer service. This book was listed as "New" but when I received it there were signs on the book that it was more "Like New" than "New". I alerted the seller and they were very prompt in responding and even issued a discount to the book.

The book itself is fantastic. I highly recommend this as an addition to your library if you are looking to further your knowledge (or gain knowledge) on instrument repair. It is very thorough and well written.

Cmplt Guide tothe Maintenance and Repair of Band Instruments

By Jeff Jones

Great Resource! This book is a must for the Band Teacher. Detailed breakdown of most instruments includes important instructions on the care and upkeep of all band instruments. This book is a real money saver for the talented musician.

**Nicely Done and Quite Complete**

By Neal A. Nicklaus

A very nice presentation of care and maintenance for band instruments. A well illustrated work.
