Amazing. Condensed. To THE point.

By S. F. Yow

This is a guide for me as well as for my son who is an addict. It brings simple truth about recovery. Every page is full of hope in Jesus Christ. We will read this book often as a reminder that recovery isn't as difficult as we make it when God is truly in it. For without Him, nothing is possible.

Very insightful. Full of hope. A great plan to follow. I intend to lead small groups at my church with this as the curriculum.
