Great book! I got a D the first time ...

By Rosario Robin

Great book! I got a D the first time without this book. I got a B the second time. So obviously the book is worth buying! It is all practice tests so it gives you a lot of practice answering questions. Highly recommend you buy this!

Incorrect information

By Lindsay Dafir

I was excited to get this book and there were questions that were similar to excelsior's practice exams except this book had several errors and incorrect answers. I would not use this book
