Review

"The seventh edition of this criminal justice text on ethics has been updated with new case studies and exercises, new chapters on ethics in police training and interrogation, and expansions and revisions throughout. Material is grouped under sections on ethical issues in policing, ethics and the courts, ethical issues in corrections, ethical issues in crime control policy and research, and ethics and the future. Specific topics discussed include how police officers learn ethics, legally permissible but unethical conduct, guidance for lawyers, types of restorative justice programs, ethics and prison, and the Ford Pinto case. The text is geared towards undergraduates in criminology programs and offers lists of key concepts, text boxes, and discussion questions among its learning features." --SciTech Book News

About the Author

Dr. Michael C. Braswell is Professor Emeritus of Criminal Justice and Criminology at East Tennessee State University (ETSU). Braswell received his Bachelor of Arts in Psychology from Mercer University in 1969, a Master of Arts in Psychology from West Georgia College in 1970, his Ed.S. in Rehabilitation/Correctional Counseling from the University of Georgia in 1973, and his Doctorate in Counseling Psychology from the University of Southern Mississippi. Loose Associations, Weak Ethical Arguments

By David Carruth

While the text is largely well written, the authors are clearly reaching far in order to make some points. For example, one section of the book provides "A Guide for Simple Meditation." The authors make the argument that because it can benefit reform when practiced by inmates, it is an ethical issue for criminal justice professionals who should in turn practice it. The text generally provides an extremely liberal view of ethics, and any person with even the slightest conservative leaning may think the book is flatly telling them they are wrong.

Overall, I certainly wouldn't recommend this book to anybody based upon its bias. However, some chapters do provide an interesting read.

Justice

By Justiceforall

Great book and just what I needed for my class .It is very in depth and addresses criminal justice in a way that shows its strength and weaknesses.

Great Book

By ywilliams

The information presented in this book was very beneficial. My knowledge of the justice system has been increased. Good book to read.
