A Lionel Train Collector's Bible

By dvdnana

Greenberg's Lionel Train Pocket Price Guide is top-rated for the serious (and novice) Lionel collector. This paperback guide is updated yearly to reflect the current market value of Lionel Trains dating all the way back to 1901. I buy this for my dad every year as a Christmas gift, and Pops can't wait to dive into it's pages! If you want accurate and up-to-date market values, Greenberg's Pocket Guide is the most trusted among collectors.
