El libro aburrido pero el servicio fue excelente

By Jessica Soto-George

Le tengo que dar las estrellas al vendedor porque me llegó enseguida y en perfectas condiciones.

Pero referente al libro tengo que decir que me lo recomendaron como algo fuera de serie, me lo leí del principio al fin, buscando la razón de la recomendación, solo puedo decir que es tedioso y aburrido.

Se lo recomiendo a aquellos que quieren tener datos de cómo sobrevivir en el campo sin recursos... tiene muchos datos interesantes que van uno detrás de otro, sobre todo recetas de cocina con las propiedades de las hierbas y frutas silvestres... y animales salvajes... nada de lo demás sirve, porque al no tener ningún tipo de imágenes, las explicaciones de cómo hacía ciertas cosas con las ramas, quedan en el aire.

No creo que tampoco un niño se sienta atraído por este libro porque no tiene aventura, ni tensión ni nada

interesante que los tenga amarrado a la historia del jovencito que se fue a la montaña para salir de la ciudad... las anécdotas no tienen continuidad, salta de una cosa a la otra sin sentido dejando colgado a uno sin respuesta. No es un Huckleberry Finn, es una historia tan tonta e increíble que hasta un niño la cuestionaría. El libro no tiene magia es solo un sueño apilonado, no tiene gancho y tiene un final inesperado que acaba matando lo poco que hubo de historia.

An exciting adventure

By A Customer

I read Mi Rincon en la Montana by Dean Graighead. I like this book because it's a historic book. A woman wants a life in the mountains. I'm reading the book in Spanish because that's my first language.
