At last!

This cookbook is the ultimate for everyday cooking. The kind I grew up enjoying. I purchased this book in 1979 when I first started cooking for my soon to be husband, and he and I have loved it. Unfortunately I wore mine out (food stains on pages, pages sticking together, missing pages, etc). I was delighted to find it on Amazon.com and at a very reasonable price. Thank you!

Excellent cookbook

By SMC

We bought out original Pillsbury cookbook in 1980. We've used it continually as our primary cookbook. Our daughter kept calling us for our special recipes. We told her most were based on the Pillsbury cookbook. I was tired of sending her recipes and bought a second copy. Of course, we did not send her the footnotes and other notation in our volume. Let her develop her own style.
