TAMED BY THE OUTLAW (WHAT HAPPENS IN VEGAS) BY MICHELLE SHARP PDF

Author Jessie Jameson is the Bad Girl of romance, making a huge name for herself writing love stories with sizzling hot sex scenes. No one needs to know that her real-life inspiration is sexy publishing exec Grayson Reynolds. Or that after the hottest sex of her life, Grayson walked out on her.

Grayson's finally taken the reins of his family's publishing business, and he's determined to sell off the romance division. But Jessie Jameson's contract is complicating things. It's like she's been trying to ruin him ever since the mind-blowing night they shared-the night she walked out on him.

Now the sparks are flying. Heated, sexy sparks. It's a Wild West showdown between Jessie and Grayson. But when Romance ends up in bed with Business, only one can walk away...

This Jessie James doesn't carry a gun, but she's like a weapon of mass destruction...to his heart.

By FromTheSouth

If you enjoy a quick, flirty, miscommunication/second chance romantic read featuring a strong, witty heroine and a reluctant but simply can't resist her hero, you should check into *Tamed by the Outlaw* by Michelle Sharp. Grayson Reynolds recently took over his grandfather's publishing firm. He is now bound and determined to cut all ties with the romance division by selling it off. The only thing standing in his way is best-selling romance author, Jessie James (Jessie Jameson). She may not be packing a gun, but she is like a weapon of mass destruction, as far as he is concerned. After thinking she walked out on him after their amazing brief time together, he hopes this will also finally cut him loose from his memories of her. He simply has to convince her to void her contract and agree to sign on with the other publisher. Jessie, thinking he did the same to her, isn't so quick to trust him...about anything. After all, he lied about his name when they first met, and her publicist is suspicious of why he is at the convention.

After the miscommunication is resolved and the attraction between them takes off like a runaway train, Jessie starts thinking about taking another chance on him. Grayson pretty much plays the role of "he wants her/he wants her not", as he struggles with a misguided notion being CEO means he can't be in a relationship. When Jessie finds out about Grayson's business deal, things go awry, and he ends up having to fight to keep his girl.

I have to admit I found myself liking the heroine more than the hero. It bothered me he got off too easy for lying about his name. However, the great cast of secondary characters, laugh out loud humorous dialog, and flowing writing style more than made up for that blip on this reviewer's radar. For only 114 pages, Ms. Sharp did a good job weaving an entertaining romantic tale. Here's to hoping Jessie's publicist gets her own story, as well.

Title: *Tamed by the Outlaw*, Author: Michelle Sharp, Series: What Happens in Vegas, Pages: 114, stand-alone, HEA, no cheating, steamy scenes, strong/witty heroine

A light fun sexy read that will give you a great afternoon ...

By Bette Hansen

A light fun sexy read that will give you a great afternoon of enjoyment! A year ago Grayson and Jessie spent an amazing night together. The morning after didn't go quite as well as either expected. She woke up alone. He came back to an empty hotel room. Never have they spoken about that night. Now he's running her publishing house and she needs to deal with him. At least for the conference weekend!! With the sparks flying between them, they know a showdown is inevitable but who will come out the other side??

I definitely recommend this one.

Amazing

By babyssmile

4 Stars

I was given this book for my honest review

"You know. Some chick with crazy hair and spiked heels once told me romance was meeting the person you care enough about to sacrifice for." His face sobered "After last night, I'm not at all sure what's in the cards for me. But I think we need to have a serious talk. About everything. Business. Pleasure. All of it. But I'd

like a shower and some food first. Grayson

Grayson-cute and sexy

Jessie-author, sassy, pretty

Grayson and Jessie's journey reminded me of the first time one gets on a rollercoaster. Scared, frightened, antsy and over all euphoric. From sweating when one gets standing on line for this infamous ride to the first time knowing that soon we will be put in a position that we have never come across before. The dynamics of the appeal that it brought to us is now becoming the reality. The sitting locked in place to the start of the forward motion, the spiraling, the depths that we plunge, the rising above all of it to then be dropped and spiraled again is such a rush that are hearts become in awe of it all.

The sex between Jessie and Grayson is like grande biscuits when you open the package for the first time and put them on a baking sheet your heart beats a bit faster. Putting them in the oven to await if they will arise or fall in the oven is just breathtaking for some the first time this is done. When opening the oven it becomes our delight and the heat within the first bite is totally tantalizing. Yummy

The author did a wonderful job in showing a side of Grayson which at first read about him becomes worrisome but with Jessie to set the him straight he becomes stronger than he ever could think possible. The strength and the weaknesses between this couple is harmonizing. In the end though you will have to pick up this read to see if Jessie and Grayson make it to their forever and a day love.

Happy Reading
