W. No](#)

THE ENGLISH BIBLE, KING JAMES VERSION: THE OLD TESTAMENT AND THE NEW TESTAMENT AND THE APOCRYPHA: A NORTON CRITICAL EDITION FROM W. W. NO PDF

“Making [the King James Version] vividly readable again.” ?Robert Alter, *New Republic*

A stunning work of scholarship, the Norton Critical Edition of The English Bible, King James Version, is the most accessible edition available. These acclaimed volumes bring together succinct introductions to each biblical work, explanatory annotations, and contextual and critical materials. Archaic words are explained, textual problems are lucidly discussed, and stylistic features of the original texts are highlighted.

For the Old Testament, Herbert Marks gives readers without Hebrew an entry into the complexities of biblical literature, reconstructing its original contexts, tracing its evolution, and pointing out productive strategies for reading. For the New Testament and the Apocrypha, Gerald Hammond and Austin M. Busch provide historical and cultural background while illuminating the complexity of the original texts. Both volumes include timelines, chronologies, diagrams, and color maps.

Slip

By toronto

This edition is beyond praise, the whole thing is invaluable. My growse is about something not ultimately important, just irritating. Elsewhere I have complained that these books are only available in paperback, which makes temporary economic sense, but not for a lifetime's study. It is worth adding here that the "slipcover" to the two volumes -- shown in the picture above -- is just thick paper, not remotely sturdy, and cheap. It is unfathomable to me that Norton would spend all that money on such a brilliant enterprise and not showcase it properly.

Excellent scholarship

By Tanner the Seeker

This is a huge step in the direction toward an appreciation of *The Bible* as a literary anthology. The editorial notes and additional primary source materials are wonderful. The Norton Edition of *The Bible* will no doubt be the essential edition for new scholarship.

Norton Critical Edition of King James Version--a bargain!

By Anne M. O'Donnell

Two-volume set is a bargain at \$40.95 and free postage. I have read "Backgrounds" and "Exegesis" of New Testament, which I found dry and hard-going. I will enjoy "Poetic Reimaginings" more--I've taught most of them. I expect to find "Case Studies" and "Translation of 1 Corinthians 13" engaging. I haven't yet approached critical background on Old Testament.

I have read Luther's German Bible twice, Geneva Bible once, and King James Version twice. It's possible to read each one through in a year by reading 3 chapters a day from January through November and leaving Psalms until December. (I'm working on the Douai-Rheims Bible, which is hard to read within a year. It has 14 books or parts of books from the Old Testament, surviving in Greek not Hebrew and thus Deuterocanonical.)
