Love the cookbook...

By The-muse0

I used this cookbook for the first time when I was 10. I was handed the cookbook and left alone... I made my first homemade cherry pie to go with Thanksgiving dinner that day! It is great for all people, from just starting out to advanced cooks. It gives you step by step images and written instructions. I have a friend that wanted to learn to cook... So I purchased a copy for her. She is really enjoying the ease of cooking! It is a must in any cookbook collection! Good Housekeeping Illustrated Cookbook

Four Stars

By Natalie

Best pancake recipe is in this cookbook, and like the vintage illustrations, but arrived without dustjacket.
