THE OGRİ COLLECTION: THE BUMPER SELECTION OF OGRİ CARTOONS! BY PAUL SAMPLE PDF

Follow the adventures and misadventures of Ogri! With a little help from his friends (Mitzi, the vivacious biker beauty, Malcolm, the dim sidekick, and Kickstart, the car-hating dog) Ogri experiences the ups and downs of biking in unexpurgated graphic glory. The Ogri Collection is for everyone and anyone with a great sense of humor. Contains original early sketches of Ogri.

For readers of Ogri cartoons...

By Marcus Burrows

You know...way back when, when Paul Sample was doing Ogri cartoons for Motorcycle Weekly (I think) and we all stopped to smile at the antics therein. A lovely collection devoted to an iconic presence in the lives of motorcyclists of the '70's and '80's. Some of the themes are not quite PC these days, but are in no way offensive - more period pieces that reflect the times as they were. Let's face it, Ogri wasn't exactly a PC kind of bloke anyway! A nice read in a comfy chair with a cup of tea when you take a break from one of those repair manuals you would normally be reading when the bike won't behave (owners of bikes contemporary with these cartoons, take note...). A mate did try to borrow it. No way! Make sure your copy doesn't get nicked too!

The biker we all wanted to be

By Nick G.

Bike magazine is currently the highest-selling rag in the UK. I have read it since 1974 and still enjoy it. The dirty little secret is Ogri, always hidden on the last page. This is what it was all about, Ogri's latest run-in with the law, the extent his idiot friend Malcom could screw up some basic two-wheeled task, a fly on the wall's view of blue-collar biking in England. It's not politically correct, it doesn't always have a happy ending BUT it is always pee-in-your-Belstaffs funny, and still the reason I read Bike to this day.

I grew up with Bike magazine in the 80s. ...

By gareth_wellington

I grew up with Bike magazine in the 80s. Ogri is a hero. Mostly it stands the test of time.
