THE TOILET: A MISTRESS MISERY STORY BY CRUELLA PAIN PDF

A hard-core story of female domination and the extremes to which it may lead.

Mistress Misery was not one generally for making physical contact with her slaves, preferring to make them suffer for her pleasure online, and certainly she never envisaged ever allowing one into her respectable and well-appointed domestic arrangements.

But when Kelvin Oliver fell for her when he came to fix a faulty lavatory, she found herself considering the impossible, the most extreme, the most degrading involvement that could ever be imagined.

If Mistress Misery was going to have an commitment at all, it would have to be all of that....and more.

Much, much, MUCH more...

Written by a practicing British Dominatrix, the author of the cult classic 'Mistress Misery'.

Great perspective on her motivations

By Reviewer

I thought this second story in the Mistress Misery series was even better than the first story.

The first story was not told from her perspective. This second story is from her perspective and shares her motivations and thoughts with the reader.

I highly recommend this story to readers of femdom fiction.
