Great text covering proven Baldrige successes in healthcare management

By Amazon Customer

An excellent text reviewing Baldrige winners' approach to management and success. It is inspiring in its discussion of transformational culture and servant leadership. It is a great overview of the breadth and depth of healthcare organizations as well. I recommend it for new health care leader, or even seasoned leadership/COO/CEO, as this goes over how the very best are doing it- today... 0 of 0 people found the following review helpful.
