Life is constantly establishing and you require some brand-new book [Tiger: A Dark Eyes Novel By William Richter](#) to be recommendation constantly.

TIGER: A DARK EYES NOVEL BY WILLIAM RICHTER PDF

A vigilante fights for justice at any cost.

Wallis Stoneman isn't like other teenage girls. She's beautiful, fearless, and deadly.

Wally lives alone in her Brooklyn loft. She'd be a regular teenager, except that she's the daughter of a Russian assassin. Crime is in Wally's blood, but she uses her legacy for good: she solves missing persons cases for the Ursula Society, an under-the-radar organization that uses oft-illegal tactics to find people the police have given up on.

The person Wally most wants to find? Tiger, her own fugitive brother. But the closer Wally gets to finding Tiger, the more dangerous her search becomes. And Klesko, Wally and Tiger's sadistic father, is again at large. With two highly-skilled con men against them, Wally and Tiger band together to destroy a conspiracy in which they—and their hearts—are mere pawns.

Pulse-pounding

By ODell @ Book Twirps

After the tragic events at the end of *Dark Eyes*, Wally is now emancipated, living on her own and working for the Ursula Society -- an organization that helps people find missing loved ones. Though Wally is only allowed to work on updating the files, she can't help herself when Kyle, a troubled and obviously abused young man, comes into the center. She is drawn to him, and since her search for her brother, Tiger, has turned up no new leads, she needs a distraction.

But there are people after Kyle -- dangerous people -- and by agreeing to help him, Wally's opened herself up to even more danger, and this time, she may not get out alive.

I loved Wally in the first book. She's strong, determined, and even though her curiosity leads her into danger, I loved her impulsiveness. That Wally is still here, but there were things that happened in this book that left me scratching my head a bit. Red flags popped up early in the book, and she seemed oblivious to them. I

couldn't help but wonder why, after everything she went through in the first book, these dangers weren't blatantly obvious to her.

I also wanted more Tiger. It was nice to learn more about him, but I felt like he wasn't in the book as much as I would have liked. I mean the book is named Tiger after all. I thought it would primarily be his story.

The action is just as fast-paced as in the first book, and despite my character expectations, the story was great. I read this in a day -- I couldn't put it down. My only complaint was the abrupt cliffhanger ending. The first book ended so nicely with a hint of hope, but this one is like a hit and run.

Despite a few minor flaws, I really enjoyed this book. This series is a nice change of pace for someone looking for an action-packed story that will leave you breathless.

A Real Page Swiper

By Pork Chop Liver

Sure I read it on kindle but I didn't know I could turn pages so quickly. This book reads faster than an Indy car. Wally is a bad ass. When is the next one coming out???

Just as awesome as the first

By Amazon Customer

Lots of action and a great adrenaline rush. If you like a good cat and mouse chase this is it
