Great book, but received instructors edition

By Kaitlyn Ehrman

Said in description I would be receiving the student edition, when it arrived I removed the white tape to find it was covering up that it was actually an instructors copy. Thankfully the chapters still match up, and the book was in excellent condition.

Teachers edition?

By Amazon Customer

The book is perfectly fine but I think there was a mix up when it came to sending me the book because I received a teachers copy of the book.
